## Vote JOHN POYNTON

ELECTION COMMUNICATION

**ABOUT JOHN POYNTON:** John was born and brought up in Croydon and was educated at Marlborough and the University of Edinburgh where he read physics and economics. He qualified as a chartered accountant and as a management consultant with Price Waterhouse in London before moving on to become finance director for two medium-sized organisations.

As a consultant he spent a year managing the accounts department for an oil company in Port Harcourt, Nigeria, and as a line manager he has recruited and worked with staff from many different backgrounds, genders and races. He joined UKIP in 2014, stood as their candidate in Southall, West London in 2015 and 2017 and is now a member of the party's National Executive. He is married and has four grown-up children.

**ABOUT UKIP:** UKIP has been fighting for the silent majority since 1993 against the ever creeping state and the European Union. The party has won European elections and successfully secured a referendum on Britain's membership of the EU, helping the UK vote to leave in 2016.

Our work is far from over. We now campaign for a referendum on immigration, against climate alarmism and stand-up for peoples freedom of speech and personal liberties. This country's government and its political parties from Labour to all the Tory-Lite alternatives are too afraid to say the politically unsayable - we aren't. From the erosion of British history and culture to the woke nonsense and cancel culture people now live in fear of, we will continue to fight against it all.

Make a stand on December 2nd and send a message to Westminster along with all the other faux political parties. UKIP is the original and best political agitator with policies for the everyday man and woman of our country.

**BREXIT IS NOT DONE - THE TORY BRINO IS CATASTROPHIC.** We say SCRAP the Withdrawal Agreement to recover our £120bn EU trade deficit costing the treasury c.£40bn pa.

**IMMIGRATION.** UKIP is the only political party campaigning for a national referendum on immigration. When were you asked? Please support our petition [https://www.petitions.net/uk\\_referendum\\_on\\_immigration\\_\\_case\\_for\\_net\\_zero\\_-\\_for\\_immigration](https://www.petitions.net/uk_referendum_on_immigration__case_for_net_zero_-_for_immigration)

**DON'T PANIC RE CLIMATE CHANGE.** Climate Change is a complex issue requiring a balanced approach. UKIP opposes the use of artificial deadlines.

**BETTER PROTECTION FOR WOMEN.** Rape is a heinous crime. We must do everything we can to stamp it out. We need a new forum to combat social media.

**MAKE PUBLIC SECTOR EFFICIENT.** We want both lower taxes and a reliable welfare state and first class services for all. Requires better top management.

**HOUSING.** UKIP would enable developers to build on more brownfield sites and encourage quicker, more modern types of construction.

**By 2025 Tories plan to have the highest tax burden since 1950**

breaking their promise not to increase NI or income tax (2.5% hike in NI and freezing of IT thresholds)

**Tory pledge to restore 0.7% GDP foreign aid will cost half the NI increases.**

**NOTHING WILL CHANGE IF YOU DON'T CHANGE THE WAY YOU VOTE!**
