FOR IMMEDIATE RELEASE

TAXPAYERS' ALLIANCE STREET STALL 18TH AUGUST

The TaxPayers' Alliance (TPA) are holding an Action Day in Croydon on Saturday 18th August. This follows on from a public meeting with the TPA held by the Croydon Constitutionalists.

The TaxPayers' Alliance campaign for lower taxes and against government waste. Focus on value for money in public finances is something we desperately need in Croydon. Council Tax has gone up over 5% this year and 4.9% the last year. These above inflation rises make Croydon families poorer.

The TPA's mission is to:

- Change the perception that big government is necessary and irreversible
- Explain the benefits of a low tax economy
- Give taxpayers a voice in the corridors of power

In Croydon alongside record Council Tax we have 4.4% allowance rises for front bench councillors. Meanwhile the council is offering Inadequate Children's services and paying vast sums for 'Cultural' events and Boxpark. Lower Taxes help the people of the borough, less waste with money spent on critical services would help the most vulnerable in the borough.

If you're interested in knowing more about tax in Croydon or their national campaigns, or covering the stall, contact the Croydon Constitutionalists or come and see the TaxPayers' Alliance at their street stall in Croydon on the 18th August.
