FOR IMMEDIATE RELEASE

13th July 2022

THE TAXPAYERS' ALLIANCE, TOWN HALL RICH LIST ROADSHOW COMES TO PURLEY

The TPA are coming to Purley on the 30th July for the latest leg of the Town Hall Rich List Roadshow.

The TaxPayers' Alliance, was launched in 2004 to speak for ordinary taxpayers fed up with government waste, increasing taxation, and a lack of transparency in all levels of government.

Following years of waste at Croydon Council and the de facto bankrupting of the borough, they are coming to Purley on the 30th July for the latest leg of the Town Hall Rich List Roadshow.

The TaxPayers' Alliance have held [several street stalls in Croydon](#) prior to the issuing of a Section 114 notice and Croydon declaring de facto bankruptcy, these have focused on executive pay. Their [review of Councillors' allowances](#) highlighted the premium rates councillors received compared to nearby colleagues, and the town has too often [featured on their Blog](#).. The taxpayers and service recipients of Croydon would all be better off if the council had listened when the TPA all too frequently highlighted our town.

Now, with assistance from the Croydon Constitutionalists, they will be asking local residents whether they thought Croydon's former Chief Executive Jo Negrini was worth her £613,895, 2020-21 remuneration package.

Locals will have the opportunity to have their say, by using ping pong balls to cast their votes. Croydon Council's political make-up has changed, but with many tough years ahead this is an opportunity for people to say if they want to retain the council's remuneration habits of the past.

The street stall will be open Saturday 30 July, 10:30 am – 1pm, outside 911 Brighton Rd, Purley CR8 2BP.
